

Department of Statistics, University of Georgia

The Department of Statistics at the University of Georgia invites applications for a tenure-track position at the rank of assistant professor in statistics, starting August 2016. Applicants must have a Ph.D. degree in Statistics, and scholarly credentials must reflect a strong commitment to teaching and research in statistics. Successful applicants are expected to develop a research program that will be competitive for external funding. To apply for the position, candidates should visit <http://facultyjobs.uga.edu/postings/443> and provide all of the requested information. At this site, candidates should also upload a single PDF file consisting of an application letter, a curriculum vita, a research summary statement that highlights an interest in and contributions to statistical research, a statement on teaching philosophy, a copy of the graduate school transcript, and the names and contract information for three references. Upon receipt of the application, the three references supplied by the applicant will be asked to submit letters of recommendation. Applications received by January 2, 2016, will receive full consideration. For more information about the department and the university, please go to <http://www.stat.uga.edu>.

The University of Georgia is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, gender identity, sexual orientation or protected veteran status.
