

Assistant Professor in Mathematics

The Department of Mathematics at the University of New Orleans is anticipating hiring two tenure-track Assistant Professors in mathematics starting Fall 2018. The first position is in the area of statistics and the second is in the area of actuarial science.

RESPONSIBILITIES

Teach undergraduate and graduate courses, supervise graduate students, perform research, and seek external research funding.

QUALIFICATIONS FOR POSITION IN STATISTICS:

Expertise in one or more of the following areas is preferred: Statistics, Biostatistics, Data Science, Big data analytics. Minimum qualifications include a Ph.D. in statistics, biostatistics, or a closely related field conferred by the time of appointment.

QUALIFICATIONS FOR POSITION IN ACTUARIAL SCIENCE:

Expertise in actuarial science or financial mathematics is preferred. Minimum qualifications include a Ph.D. in actuarial science, statistics, mathematics, or a closely related field conferred by the time of appointment.

SALARY

Commensurate with experience and qualifications.

Applicants should apply through the UNO website at www.uno.edu/jobs.

Documents required: Application letter, CV, transcripts, and three recommendation letters. To receive full consideration, please send your application before February 9, 2018.
